Banks, however, shall not insist on such Term Deposits from the existing locker holders or those who have satisfactory operative account. The packaging of allotment of locker facility with placement of term deposits beyond what is specifically permitted above will be considered as a restrictive practice.

The risks of accessibility of an allotted locker from any side without involvement of the locker-hirer concerned may be assessed and kept on record. The place where the lockers are housed must be secured enough to protect against hazard of rain / flood water entering and damaging the lockers in contingent situations. The fire hazard risks of the area should also be assessed and minimized. The banks, as per their policy, shall conduct necessary engineering / safety verification regularly to identify the risks and carry out necessary rectification.

The area housing the lockers should remain adequately guarded at all times. The banks shall install Access Control System, if required as per their risk assessment, which would restrict any unauthorized entry and create digital record of access to locker room with time log. As per their internal security policy, banks may cover the entry and exit of the strong room and the common areas of operation under CCTV camera and preserve its recording for a period of not less than 180 days. **9. Locker Standards**

All the new mechanical lockers to be installed by the banks shall conform to basic standards / benchmarks for safety and security as prescribed by Bureau of Indian Standards (BIS) or any other enhanced industry standards applicable in this regard.

Banks shall ensure that identification Code of the bank / branch is embossed on all the locker keys with a view to facilitating identification of lockers / locker ownership by law enforcement agencies in case of need. Further, the custodian of the locker shall, regularly/periodically, check the keys maintained in the branch to ensure that they are in proper condition. Banks shall permit the locker-hirer to operate the locker only with the key provided by the bank, although there is no restriction in allowing the customer to use an additional padlock of her /his own if there are such provisions in lockers.

**10. Regular Operations by Customers**

The locker hirer and/or the persons duly authorized by him/ her only shall be permitted to operate the locker after proper verification of their identity and recording of the authorization by the officials concerned of the bank. The bank shall maintain a record of all individuals, including the locker-hirers, who have accessed the lockers and the date and time (both check-in and check-out time) on which they have opened and closed the locker and obtain their signature. The ingress and egress register for access to Vault Room by locker-hirers or any other individual including the banks' staff shall be maintained to record the movement of individuals in the Vault Room area with their signatures at appropriate place in the records.

The duplicate master keys shall be deposited with another branch of the bank. There shall be proper record of joint custody of master keys. Banks shall conduct surprise periodic verification of surrendered/vacant lockers and their keys by an officer of the bank who is not connected with their custody and proper record shall be maintained as a proof of such verification.

Banks shall ensure that the Locker Register and the Locker Key Register are maintained in CBS or any other computerized system compliant with the Cyber Security Framework issued by the Reserve Bank. The Locker Register shall be updated in case of any change in the allotment with complete audit trails.

THE UDAIPUR URBAN CO-OPERATIVE BANK LTD.

Regd. Office: 9C-A, Madhuban, Udaipur – 313 004

The bank custodian shall check whether the lockers are properly closed post locker operation. If the same is not done, the lockers must be immediately closed, and the locker-hirer shall be promptly intimated through e-mail, if registered or through SMS, if mobile number is registered or through letter so that they may verify any resulting discrepancy in the contents of the locker. The bank custodian shall record the fact of not closing the locker properly in the register and its closure by the bank with the date and time. Further, the custodian of the locker room shall carry out a physical check of the locker room at the end of the day to ensure that lockers are properly closed, and that no person is inadvertently trapped in the locker room after banking hours.

**12. Nomination Facility**

The banks shall offer nomination facility in case of safe deposit lockers and safe custody of articles, in accordance with the provisions of section 45-ZC to 45-ZF of the Banking Regulation Act, 1949 and Banking Companies (Nomination) Rules, 1985/Co-operative Banks (Nomination) Rules, 1985. In case the nominee is a minor, the same procedure as prescribed for the bank accounts shall be followed by the banks. A passport size photo of the nominee attested by the customer may be obtained from the customers, at his/her option and preserved in the records.

For the various Forms (Forms SC1, SC2 and SC3 for Articles left in Safe Custody and Forms SL1, SL1A, SL2, SL3 and SL3A for Safety Lockers) prescribed under Banking Companies (Nomination) Rules, 1985/Co-operative Banks (Nomination) Rules, 1985, only Thumb-impression(s) shall be required to be attested by two witnesses. Signatures of the account holders need not be attested by witnesses.

Banks shall have appropriate systems and procedures in place to register the nomination, cancellation and / or variation of the nomination, in their books, made by the locker hirers.

Banks shall devise a proper system of acknowledging the receipt of duly completed form of nomination, cancellation and / or variation of the nomination. Such acknowledgement shall be given to all the customers irrespective of whether the same is demanded by the customers or not.

**13. Death of the hirer:**

Notice of knowledge of the death of a hirer or a surviving hirer in the case of 'E or S' hirers will be recorded in the Locker Register with date and source of information under the initials of an officer.

As a further precaution, a slip reading 'hirer deceased' will be pasted on the locker. Thereafter access to the locker should be allowed on production of legal representation.

Access may however be allowed, for making an inventory of the contents with a view to obtaining the necessary legal representation to known heirs of the deceased in the presence of their lawyers / solicitors or to persons authorised by a court for this purpose.

Where authority has been given to the survivor or survivors to operate the locker in writing specifically at the time of lease of the locker, in the case of joint account, the question of legal representation does not arise unless the survivor also dies.

Section 45ZE of the Banking Regulation Act, 1949 does not preclude a minor from being a nominee for obtaining delivery of the contents of a locker. However, the responsibility of the branches in such cases will be to ensure that when the contents of a locker were sought to be removed on behalf of the minor nominee, the articles were handed over to a person who, in law, was competent to receive the articles on behalf of the minor.

Procedure for return of contents of Lockers to Survivor/Nominee/Legal heirs:

THE UDAIPUR URBAN CO-OPERATIVE BANK LTD.

Regd. Office: 9C-A, Madhuban, Udaipur – 313 004

In order to ensure that the contents of lockers are returned to the genuine nominee, as also to verify the proof of death, bank has devised our own claim formats and will also follow the procedure suggested by the Indian Banks' Association /appropriate authorities.

**14. Access to the safe deposit lockers (with survivor / nominee clause)**

If the sole locker hirer nominates a person, banks will give to such nominee access of the locker and liberty to remove the contents of the locker in the event of the death of the sole locker hirer.

In case the locker was hired jointly with the instructions to operate it under joint signatures, and the locker hirer(s) nominates person, in the event of death of any of the locker hirers, the bank should give access of the locker and the liberty to remove the contents jointly to the survivor(s) and the nominee(s).

In case the locker was hired jointly with survivorship clause and the hirers instructed that the access of the locker should be given over to "either or survivor", "anyone or survivor" or "former or survivor" or according to any other survivorship clause, banks will follow the mandate in the event of the death of one or more of the locker-hirers.

However, banks will take the following precautions before handing over the contents:

Branches will exercise due care and caution in establishing the identity of the survivor(s) / nominee (s) and the fact of death of the locker hirer by obtaining appropriate documentary evidence;

Branches will make diligent effort to find out if there is any order from a competent court restraining the bank from giving access to the locker of the deceased; and

Branches will make it clear to the survivor(s) / nominee that access to locker is given to them only as a trustee of the legal heirs of the deceased locker hirer i.e., such access given to him shall not affect the right or claim which any person may have against the survivor(s) / nominee to whom the access is given.

Bank will note that since the access given to the survivor(s) / nominee (s), subject to the foregoing conditions, would constitute a full discharge of the bank's liability, insistence on production of legal representation is superfluous and unwarranted and only serves to cause entirely avoidable inconvenience to the survivor(s) / nominee (s) and would, therefore, invite serious supervisory disapproval. In such case, therefore, while giving access to the survivor(s) / nominee(s) of the deceased locker hirer, the bank will desist from insisting on production of succession certificate, letter of administration or probate, etc., or obtain any bond of indemnity or surety from the survivor(s)/nominee(s).

**15. Access to the safe deposit lockers (without survivor / nominee clause)**

There is an imperative need to avoid inconvenience and undue hardship to legal heir(s) of the locker hirer(s). In case where the deceased locker hirer had not made any nomination or where the joint hirers had not given any mandate that the access may be given to one or more of the survivors by a clear survivorship clause, the bank will adopt a customer- friendly claim procedure, drawn up, then and there, for giving access to legal heir(s) / legal representative of the deceased locker hirer.

The Bank shall also be guided by the provisions of Sections 45 ZC to 45 ZF of the Banking Regulation Act, 1949 and the Banking Companies (Nomination) Rules, 1985 and the relevant provisions of Indian Contract Act and Indian Succession Act.

Further, in case the nominee/ survivor(s) / legal heir(s) wishes to continue with the locker, banks may enter into a fresh contract with nominee/survivor(s) / legal heir(s) and also adhere to KYC norms in respect of the nominee/ legal heir(s).

**16. Settlement of Claim:**

- i. Settlement of claim to the nominee or the legal heirs shall be subject to the following:
- ii. Proper identification and establishing the identity of the survivor(s)/ nominee(s)
- iii. Production of death certificate issued by competent authority.
- iv. There should not be any order from a competent court restraining the bank from giving access to the locker of the deceased.
- v. In case nomination is available, contents of the locker shall be delivered to the nominee after proper identification of the nominee and subject to production of necessary documents.
- vi. Where no nomination is available, settlement shall be made to the legal heirs as per Bank's claim settlement policy.

**17. Closure and Discharge of locker items**

This part refers to the breaking open of the locker in a manner other than through the normal access by the customer using her/his original key or password under any one of the following circumstances:

**19. Attachment and recovery of contents in a Locker and the Articles in the safe custody of the bank by any Law Enforcement Authority**

In case of attachment and recovery of the contents in a locker of a customer or the articles left by a customer for safe custody of the bank by any Authority acting either under the orders of a Court or any other competent authority vested with the power to pass such orders, the banks shall co-operate in execution and implementation of the orders.

The bank shall verify and satisfy itself about the orders and the connected documents received for attachment and recovery of the contents in a locker or articles in the safe custody of the bank. The customer (locker-hirer) shall be informed by letter as well as by email/SMS to the registered email id/mobile phone number that the Government Authorities have approached for attachment and recovery or seizure of the locker or articles deposited for safe custody. An inventory of the contents of locker and articles seized and recovered by the Authority shall be prepared in the presence of such Government Authorities, two independent witnesses and an officer of the bank and shall be signed by all. A copy of the inventory may be forwarded to the customer to the address available in the bank's records or handed over to the customer against acknowledgement.

**20. Discharge of locker contents by banks due to non-payment of locker rent**

Banks shall have the discretion to break open any locker following due procedure if the rent has not been paid by the customer for three years in a row. The bank shall ensure to notify the existing locker-hirer prior to any changes in the allotment and give him/her reasonable opportunity to withdraw the articles deposited by him/her. A clause may be incorporated in the locker agreement to this effect.

Before breaking open the locker, the bank shall give due notice to the locker-hirer through a letter and through email and SMS alert to the registered email id and mobile phone number. If the letter is returned undelivered or the locker-hirer is not traceable, the bank shall issue public notice in two newspaper dailies (one in English and another in local language) giving reasonable time to the locker-hirer or to any other person/s who has interest in the contents of locker to respond. The locker shall be broken open in the presence of an officer of the bank and two independent witnesses. In case of electronically operated lockers (including Smart Vaults), the use of 'Vault Administrator' password for opening of locker shall be assigned to a senior official and complete audit trail of access shall be preserved. Further, banks shall also record a video of the break open process together with inventory assessment and its safe keep and preserve the same so as to provide evidence in case of any dispute or Court case in future. Banks shall also ensure that the details of breaking open of locker are documented in CBS or any other computerized systems compliant with the Cyber Security Framework issued by RBI, apart from locker register. After breaking open of locker, the contents shall be kept in sealed envelope with detailed inventory inside fireproof safe in a tamper-proof way until customer claims it. A record of access to the fireproof safe shall invariably be maintained. Before breaking open the locker, the bank shall follow the procedure as prescribed in paragraph 20 above. Banks shall ensure that the procedure to be followed by them for disposal of the articles left unclaimed for a reasonably long period of time as mentioned above is incorporated in their locker agreement.
